DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1 and 3 are rejected under 35 U.S.C. 102(b) as being clearly anticipated by Hara et al.

Allowable Subject Matter

3. Claims 15-21 are allowed.

Election/Restrictions

4. Claims 9-14 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected species, there being no allowable generic or linking claim. Election was made **without** traverse in Paper No. 6.

Response to Arguments

Applicant's arguments filed December 9, 2002 have been fully considered but they are not persuasive. Hara et al. discloses a housing 1, a plurality of vanes (fins 3), an adjustable element (motor 10), a sliding guide (control member 7), a first coupling element (pin 6), and a second swiveling axle (shaft 4). Note, swivel 1. A link, pivot, or another fastening so designed that it permits the free turning of attached parts.¹ Hence, the shaft does allow the fins to swivel about a second axis even though the fin has a fixed second pivot axis.

Conclusion

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
